**Limberakis Side-by-Side Greek-English Liturgy**  
**Using the New Approved Standard English Translation**

**ORDER FORM**

The Mid-Eastern Federation has selected the liturgical music setting of Constantine “Dean” Limberakis for use at its 2016, 2017, and 2018 Conventions. Included in this publication are the standard hymns and responses, the Apolytikia, music for a hierarchical service, and the Archbishop’s Fimi. The publication is printed in a side-by-side Greek and English format, using the newly-approved Standard English translation of the Divine Liturgy by our Holy Eparchial Synod. The music is printed in a 3-hole punch format for easy addition of local substitutions and comes inserted in a 3-ring binder. A CD of a recent hierarchical service using this music is also available.

Cost of the music is \$20.00 per copy and the CD is \$5.00. This price includes shipping and handling. If a choir or group needs several copies, please consider combining requests for all copies in the same order.
