

# The Divine Liturgy of St. John Chrysostom

## *A Musical Arrangement by*

### *Nicholas C. Bodle*

Selected for the 2019 MEFGOX Convention (July 25-28)

S.G.

**About the Music:** This arrangement is almost exclusively based on the traditional Byzantine Third Mode (the same tone as the familiar Sakellarides Doxology and the Kontakion of Christmas, "I Parthenos Simeron" / "On This Day, the Virgin Comes," among other hymns). It is harmonized for mixed chorus, presented primarily in English, with some Greek refrains, and written mostly in Eb major. Includes the Great Doxology, music for the Memorial and Artoklasia services, Hierarchical Liturgies, and more. Easily customizable for any choir to insert other music as desired.
